The K-Days Makers Exhibition is for amateur enthusiasts to portray their work. Exhibitors are restricted to individuals who earn less than 50% of their income from their endeavors.

Exhibitors may reside anywhere, not just in Edmonton. Unless otherwise noted, produce and cut flower entries must be grown in Alberta, north of Red Deer.

All exhibitors **MUST** be the bona fide maker or grower of their exhibits. The use of commercially produced or grown products will result in the forfeiture of ALL prizes won by exhibitor.

Only Judges and designated exhibition officials are allowed in the Exhibit Area during Judging. Judges will be selected from a pool of qualified individuals as determined by Northlands with input from the appropriate professional organization.

All entries must arrive during the move in time noted. Organizers reserve the right to refuse entries that arrive after the designated time. Entries must be removed during the designated move out time. Entries not picked up during this time become the property of Northlands. Removal of entries by the exhibitor prior to the designated move out time will result in the forfeiture of all prize monies.

Youth entries will be divided into 3 separate sections: Primary (8 years old and younger), Elementary (9 to 12 years old), and Junior (13 to 17 years old). All ages are as of the first day of K-Days.

Youth are welcome to compete in any adult section, provided they exhibit a unique entry in each class. (ie. a single recipe cannot be used in multiple categories, the same photograph cannot be entered twice)

All entries must have official exhibition tags attached. Tags will be available during Move In.

Unless otherwise specified, exhibitors may submit a maximum of two (2) entries per class, provided each entry is unique. Exhibits are to be entered under only one name, with the exception of the group quilt class.

Entries containing scenes of violence, nudity, or sexually suggestive content will not be accepted.

All exhibits must have been made within the past two years and not previously been entered in the K-Days Makers Exhibition. Exceptions apply to houseplants only.

Organizers reserve the right to combine classes due to insufficient entries or divide classes with extensive entries into multiple classes. Organizers may also move an entry if it better fits in another class.

Interpretation of all rules shall be made by exhibition officials, whose decision shall be final. Should any question arise not provided for in the Rules and Regulations, the decision of the exhibition officials shall be final. The right to alter, interpret, amend, add to or cancel any of these rules, or to grant relaxation from them in individual cases is reserved to the exhibition officials.

All properties of exhibitors entered for competition shall be subject to control of the organizers, but in no case shall Northlands be held responsible for any loss, damage or injury of any nature to any such property while in Northlands possession.
